

CSC Task Force Meeting Minutes – 03/26/2025

Attendees via Zoom: Jerry Sheng and Ronny Hardaway.

Absent: Kathleen Yen and Lynn Leopold.

The meeting was called to order at 4:05 PM.

Hardaway and Sheng went through the CSC VOL Application action items to confirm their current status:

PE6 Action: Planning for Biking and Walking – still TBD, Hardaway will submit this documentation once the TC Joint Safety Action Plan is released (May-June timeframe).

Sheng mentioned that the Bronze-level submission date is April 11, 2025. Hardaway to submit the VOL application on April 11.

PE7 Action: Evaluate Policies for Climate Resilience – TBD. Hardaway & Sheng to use a tool to fill in data for submission in the near future.

PE7 Action: Conserve Natural Areas – Leopold was to work on this documentation, but nothing yet provided.

PE7 Action: Watershed-based Flood Mitigation Plan – Yen was to work on this documentation, but nothing yet provided.

PE7 Action: Source Water Protection – Yen was to work on this documentation, but nothing yet provided.

PE7 Action: Water Conservation & Reuse – Yen was to work on this documentation, but nothing yet provided.

PE7 Action: Water-Smart Landscaping – Leopold was to work on this documentation, but nothing yet provided.

There are still outstanding items from Yen and Leopold that have not been submitted to Sheng to upload in the CSC application.

Hardaway will publish two CSC TF reports available to the VOL website. (This action has since been completed.)

Hardaway and Sheng confirmed the VOL CSC application submission process for April 11th.

The meeting was adjourned at 4:23 PM.
