

Greenway Committee Minutes

April 20, 2026

Location: Donald and Marion Hartill Park

In Attendance: Carolyn Greenwald, Kathleen Yen, Lynn Leopold, Jacob Von Mechow

Absent: Larry Bieri, Susan Piliero

The Greenway Committee met on site to determine the location of the Memorial Shade Garden and to assess park conditions for any additional updates or changes to be included in the revised Greenway Plan.

Shade Tree location: 2 Red Oaks and 1 White Oak. Count 20 stones from the parking area west side. Place the first tree approximately 10 feet from the stone. Count 40 feet to the east. Place the second tree in line with the first. Complete the triangle with the third tree. Mulch around the trees in a three foot circle. Each tree associated with a bench (three benches). Bench placement angled towards the playgrounds and soccer fields.

Future Improvements:

- Extend wood chips between the playground and walkway to make access ADA compliant.
- Potentially move the parking lot stones to create a nice walkway from the parking area to the trail head.
- Remove metal dog waste sign, and replace with dog waste receptacle station.
- Add bike rack on the west side of the east parking area

Potentially changing the basketball court into pickleball was discussed but may not be feasible if we wish to retain the basketball court.
